

To: Chattahoochee District Scouters and all Charter Organization Representatives

From: Patrick Thompson, District Nominating Committee Chair

Date: September 7, 2010

Re: District Nominating Committee and District Annual Business Meeting

Dear Scouter,

Each year the Chattahoochee District has the annual responsibility of finding, nominating, and electing District leaders. A nominating committee is formed and charged with this responsibility. This year's Chattahoochee District nominating committee consists of five Adult Scout leaders throughout the district and none from the same unit. The District Nominating Committee Chairman is Jimmy Stewart.

The nominating committee has held and will hold additional meetings to discuss and evaluate the best possible candidates for all positions. The Committee will select an individual to fill each of the following positions: District Chair, Finance Chair, Membership Chair, Advancement Chair and Program Chair positions. They will also form a more extensive list of individuals to serve in other District positions to strengthen the District Committee. They will also recommend an individual for the District Commissioner position to be approved by the Council Commissioner. All of the slate will be presented to you for approval at the District Business meeting for a vote.

The Committee will be accepting additional names for consideration until November 1st. Nominations can be made through the Nominating Committee Chairman, Jimmy Stewart or John Roland, District Executive. All nominations can be written or delivered via email -- attn: Chattahoochee District nominations. You can reach Patrick Thompson at email johnpatrickthompson@yahoo.com and/or John Roland at 1800 Circle 75 Pkwy SE, Atlanta, GA 30339 or email: jroland@atlantabsa.org.

Members must be present at the November 11, 2010 at 6:30pm at the annual Chattahoochee business meeting to cast their vote. The meeting will be held at the Roswell First Baptist Church 710 Mimosa Blvd., Roswell, GA 30075. Those eligible to vote are:

(Must have a current membership application on file for at least one of the following positions)

1. Charter Organizational Representatives registered and currently representing charter organizations within the District's geographical boundaries.
2. Registered District members at large duly elected at the last annual District business meeting or during the interim at a regular, duly called District Committee meeting.
3. Registered Council members at large residing in the District

Thanks for your attention to this very important matter and I look forward to nominations submitted.

Sincerely,

Patrick Thompson
Chattahoochee District Nominating Chairman
